Official Notice on the Use of the African Union Agenda 2063 Ambassadorial Assembly Diplomatic Passport

The African Union Agenda 2063 Ambassadorial Assembly is pleased to issue the Ambassadorial Diplomatic Passport to its members as a symbol of diplomatic recognition and identity. However, it is important to clarify the specific uses and limitations of this diplomatic passport:

1. Identification and Recognition:
2. This passport serves exclusively as a form of identification for the holder and is to be recognized at airports, diplomatic events, and official functions related to the African Union Agenda 2063 Ambassadorial Assembly. It allows officials to identify you as a representative of the Assembly and facilitates your engagement in these diplomatic settings.
3. Not for Visa Purposes:
4. Please note that this passport is *not intended for visa purposes. No visas will be issued or stamped on it. Holders of the diplomatic passport must use their *regular international passports when traveling internationally and must obtain the necessary visas through the appropriate channels.
5. Does Not Replace International Passport:
6. The diplomatic passport does not replace or serve as a substitute for your regular international passport. All holders are required to carry their international passports when traveling internationally and must comply with the visa and entry requirements of any country they are visiting.
7. Restricted to Diplomatic and Official Functions:
8. The use of the African Union Agenda 2063 Ambassadorial Diplomatic Passport is strictly limited to diplomatic events and official functions where you are recognized as a representative of the Assembly. It does not grant any privileges beyond those specific functions.
